November 7, 2026

Dear Students, Participants, Parents, Guests, and Friends,

It is my honor to welcome you to the Colorado Springs Christian School for the 2026 Annual U.S. Taekwondo Center Masters Challenge!

As the 1988 U.S. Olympic Team Head Coach and former President of USA Taekwondo (formerly known as U.S. Taekwondo Union), I have helped develop Taekwondo throughout the United States and World. Only sparring is included in the Taekwondo portion of the Olympic Games. However, sparring is just a small part of Taekwondo. In addition to teaching self defense and physical fitness, Taekwondo teaches our community strong character values such as respect, self-discipline, and confidence. I am always so pleased to see many parents practicing Taekwondo as a family with their children.

In 1986, the 1 st U.S. Taekwondo Center was opened, and I am proud that we have grown to multiple locations with almost 1,000 active students. Our success is due to the hard work, dedication, and loyalty of thousands of instructors, staff, students, families, and friends. As the martial art of Taekwondo continues to grow and evolve, I continue to encourage all families, regardless of age and athletic ability to train together in Taekwondo. Through Taekwondo, our society can live a healthier lifestyle, improve respect, and create a safer community.

This year, we are honored to celebrate 40 years of business in Colorado Springs. It is amazing to see generations that have trained at U.S. Taekwondo Center. We are grateful for the support of this wonderful community, Olympic City USA. We look forward to the next 40 years!

I want to thank all athletes, parents, volunteers, and distinguished guests for your contributions, efforts,and participation at the U.S. Taekwondo Center Masters Challenge.

Sincerely,

Grandmaster Sang Chul Lee
Chairman and Founder
U.S. Taekwondo Center

GRANDMASTER SANG LEE

EDUCATION
1972: BS in Law from Korea University
1986: Graduated from U.S. Olympic Academy

IMPORTANT INFO

HOLDING AREA

Participants should watch the TV monitors throughout the venue 30-45 minutes before their event begins. The TV monitors will display the division numbers that should report to the holding area. Once you check-in in the holding area, do NOT leave the holding area. If you are not present when called, it could lead to disqualification with no refund. When called please wait in your ring's designated area.

Participants are required to go to the Holding Area when his or her division is close to being called to the competition floor to compete. The participant will be called a maximum of three (3) times to appear in the Holding Area.

If a participant does not appear in the Holding Area after the maximum of three (3) times to appear, the participant will be disqualified from the competition with no refund. The only exception to this is if the participant is already on the competition floor competing in a different division.

PARTICIPANT BADGES

Each participant will be issued an official name badge to wear around their neck. The Participant Badge is required for admission and competition. It should be worn at all times.

AWARDS

All participants who place between 1st-3rd place will receive a medal. You can receive a physical print of your award certificate at NO additional cost next to the award podium. An electronic copy of the award certificate can be requested at monument@familyblackbelt.com.

The Award Certificate will display the event name and participant place.

FREQUENTLY ASKED QUESTIONS

1. Can participants wear shoes?
Shoes are NOT allowed for any events. However, if shoes are required for a medical reason, please bring a written doctor's note that states shoes are required for participation. This note will need to be submitted to the Holding Area Manager prior to your event.

2. What happens if I lose my badge?
Badges can be re-printed at the Participant Badge Pick-up area for a $5 re-print fee.

3. What are the different codes and what do they mean?
Each event is abbreviated with a different code. The codes are below.

1	**ICB**	INDIVIDUAL CREATIVE BREAKING
2	**ITF**	INDIVIDUAL TRADITIONAL FORMS
3	**ITFS**	INDIVIDUAL TRADITIONAL FORMS - SPORT
4	**TTF**	TEAM TRADITIONAL FORMS
5	**IS**	INDIVIDUAL SPARRING - TRADITIONAL
6	**ISE**	INDIVIDUAL SPARRING - ELECTRONIC
7	**IJH**	INDIVIDUAL JUMPING HIGH KICK
8	**IPKH**	INDIVIDUAL POWER KNIFE HAND
9	**IPSSK**	INDIVIDUAL POWER SKIPPING SIDE KICK
10	**IPBK**	INDIVIDUAL POWER BACK KICK
11	**ISHK**	INDIVIDUAL SPIN HOOK KICK
12	**PTF**	PAIRS TRADITIONAL FORMS

4. Are there coaches allowed?
Only coaches will be allowed on the competition floor. There is a one-time coaching registration fee of $25. All coaches must complete the code of conduct form online. Failure to comply with the code of conduct will result in immediate revocation of the coaching pass. Coaches may only be on the competition floor when his or her athlete is on the competition floor to perform. Coaches are not permitted to step into the ring at any time unless directed to by the Organizing Committee staff. If you purchase a coaching pass you do NOT need to purchase a spectator ticket.

Please note: During the competition for Individual Creative Board Breaking (ICB) athletes are encouraged to provide their own holders. You do NOT need a coaching pass to be a holder. However, if you are only a holder - you CANNOT coach the student. If you intend to coach an athlete, you must register for a coach's pass.

5. Will there be video replay available to question scores?
All scores and results are final. Video replay to question scoring is not available at the Masters Challenge. If you have a question about a score you may ask to speak with a member of the Organizing Committee so questions can be directed appropriately to the Referee Chairman.

6. What is the difference between Individual Traditional Forms (ITF) and Individual Traditional Forms Sport (ITFS)?
Individual Traditional Forms will use Masters Challenge rules. For complete details see the rules for ITF.

Individual Forms Sport will use modified WT /USATKD rules which also requires athletes to know all Taegeuk and Kukkiwon Black Belt Forms. ITFS is for only Black Belts.

You must get approval from your Lead instructor before registering for Traditional Forms Sport (ITFS).

We Rock The Spectrum® KID'S GYM

For All Kids - Colorado Springs

We Rock the Spectrum Colorado Springs is a sensory based indoor play gym designed for **ALL** kids, regardless of physical or neurodevelopmental abilities. We strive to provide a safe space for kids to play, imagine, explore and connect! Join us for **open play, birthday parties, parent night out, teen night** and **more**!!

WHY WE ROCK

TWELVE PIECES OF SENSORY EQUIPMENT

ZIP SLIDER
The zip slider encourages upper body strength and endurance, fast movement, jumping & tumbling, and enhances a child's ability to integrate and tolerate movement.

ZIP SLIDER PLATFORM WITH SLIDE
The zip slider platform with slide encourages gross motor coordination, climbing & planning, and socialization. The structure has stairs that lead to the zip line, a ramp, and a slide.

MONKEY BARS
The monkey bars promote full-body awareness, motor planning, upper body strength and socialization. It is a total-body exercises that provides proprioceptive feedback.

CRASH PIT
The crash pit is a fun and inviting landing spot at the end of the zip line. It encourages safe falling, deep pressure stimulation and self-regulation.

BOLSTER SWING
The bolster swing encourages relaxation, motor sequencing, and balance control. It can be sat on sideways or straddled like a horse.

TUNNEL
The tunnel is a non-threatening cozy hideout for a child in need of a break. It encourages self-regulation, tactile exploration, and abstract thinking.

CARPET SWING
The carpet swing is fun and stimulating for swinging, spinning, or gliding side-to-side. It encourages balance, self-regulation, and body control.

TRAMPOLINE
The trampoline is a great place to build lower body strength and balance. Children can jump or sit while working vestibular perception and proprioception.

HAMMOCK SWING
The hammock swing promotes a state of calmness allowing children to focus. It can help sooth strong emotions, improve proprioception, and provide deep pressure.

CLIMBING MOUNTAIN
The climbing mountain enhances the body's awareness, motor planning, bilateral coordination, and balance control. Body weight and gravity help with coordination.

ROPE BRIDGE
The rope bridge helps to build lower body strength and enhance balance control. Children work vestibular proprioception of movement while walking across.

SWIVEL ROTATORS/CARABINERS WITH DAISY CHAINS
The swivel rotators allow children to swing in a variety of directions while the carabiners secure the swings and other equipment for a safe and fun experience.

WOOSONG FOUNDATION

The Woosong Foundation is a 501c3 that was created to honor Grandmaster Sang Lee's vision and legacy of allowing students of all ages and athletic abilities the opportunity to train in Taekwondo to improve their lives. In Korean culture people cannot call their seniors or elders by their first name. Due to this, Grandmaster Lee had a Korean nickname that his juniors could refer to him as "Woosong". In Korean, "Woo" means "want to be friends" or "friend." In Korean, "Song" means "pine tree" or "evergreen." The evergreen tree is a symbol of strength and stability. Flowers are beautiful but the beauty only lasts for a short time before dying. The evergreen tree holds the same beauty for all seasons of the year. Due to its strength evergreen trees are also used for construction of homes and buildings and serve as the pillar for the foundation. Grandmaster Lee combined the two words to create a new word "WooSong" which means loyalty, friendship, stability, and strength. Therefore, Grandmaster Lee's nickname is "WooSong."

The Woosong Foundation will provide Taekwondo scholarship opportunities for deserving individuals around the United States and world. Several students are competing in the 2025 U.S. Taekwondo Center Masters Challenge, made possible by the sponsorship of the Woosong Foundation.
